

KnitNet

Real-time Monitoring of Your Knitting Factory

Your Security, Our Priority

The security process is built into all aspects of a development life cycle, from product idea to the development, and finally to the deployment.

- ✓ Secured web app with HTTPS encryption
- ✓ Encrypted data transmission

Ease of Use and Installation

- ✓ Easy and fast installation on any circular knitting machine
- ✓ User-friendly and web-based application
- ✓ Easy access to your factory with a smart-phone, tablet, laptop, or PC

Spend More Time With Your Family

We bring your factory to where you are so that you can spend more time with your family. This ensures a higher quality of life and ease of mind.

We Value Your Privacy

You are in full control of your data. It is always private and only accessible by you or your managers.
